From The Dir of P H
No C72-135 Dy 7742
States that an outlay of Rs 15,595/- has been actually incurred for metering the house connections at Tumkur and that it is being accounted for against the
'Z' advance of Rs 39000 sanctioned in G.O. Dy 14940 for the purchase of meters for Tumkur & Chitaldrug towns

The expenditure of Rs 15,595/- incurred perhaps represents the outlay cost of purchasing the meters for the Tumkur town and not the cost of the installation
'X' of meters, for which a loan of Rs 30,000/- has been recently sanctioned

No further action appears to be necessary As a loan has already been sanctioned to the M/Canal towards the cost of metering the cost of installation of meters, it is seen for orders if the file may not be closed after perusal.

May be closed after perusal
